

## ARE THE DENTAL PROFESSIONALS WHO CARE.

We provide the highest quality professional dental care at a cost that will fit your budget. Now you can enjoy a beautiful smile that is healthy and free from pain. Since 1976, we've been proud to welcome all ages and backgrounds. With a gentle and knowing manner, we are giving Danville and Chatham beautiful, healthy smiles, one happy patient at a time.

Now excellent dental care is much more affordable with a number of payment options. We offer **Care-Credit** financing which means you can get the dental services you want and need with no down payment, no interest, and up to 18 full months to pay.

You can apply online for Care Credit at [www.carecredit.com](http://www.carecredit.com) or simply

**Call (800) 677-0718**

Danville Dental Associates also offers third party financing with Lending Club Patient Solutions (800) 630-1663.

No Insurance! No problem! Save even more with Danville Dental Associates' popular **Discount Card** that saves you up to 20% on all dental procedures. You also receive an exam, cleaning, bitewings and fluoride for \$50 with a paid membership. Find more information about the **Discount Card** under Financing Options at [www.danvilledentalassociates.com](http://www.danvilledentalassociates.com).

For all patients without insurance who pay for services in full, we give you a 10% discount for cash or check or 5% discount when you pay with a credit card.

DentalBanc is another great option, especially for Orthodontics. Each month payments can be automatically drafted from your bank account or credit card. This also provides an opportunity for patients to build a credit on their account in preparation for future dental work.

Danville Dental Associates offers the full range of dental services including general and cosmetic dentistry, orthodontics and emergency care for those times when you simply can't wait. We are trained to provide everything from filling cavities, extractions and root canal therapy to implants, stop snoring appliances and treating gum disease. Schedule your appointment to learn about all the exciting ways modern dentistry can make your life healthier, happier, and free from embarrassment and pain.
